MEMORANDUM FOR: Chairman, SECOM

FROM:

Director of Security

SUBJECT: Responsibilities for Accreditation and Use of SCIFs

REFERENCE: A. SECOM M-291, page 6, same subject  
B. Memorandum for C/SECOM, from C/SSC, dated 12 Sept., same subject

1. This memorandum is in response to Chairman, SECOM's request that members review the SECOM proposals regarding referenced subject and provide concurrences and or comments prior to the 18 September SECOM meeting.

2. Chief, Special Security Center has forwarded his comments directly to Chairman, SECOM (reference B).

3. In addition to those comments, it is suggested that the following changes be made within the proposed additions to DCID 1/16:

° The next to last sentence in proposed paragraph one, Accreditation, be changed to read, "Accreditation shall be updated whenever substantive procedural, physical or configuration changes are made to a system or network."

° Paragraph two, Joint Usage, sentence 6, should be changed to read, "MOAs shall be updated whenever substantive procedural, physical or configuration changes are made to the system(s) or network(s) involved."
